SOCIAL JUSTICE KIT OVERVIEW

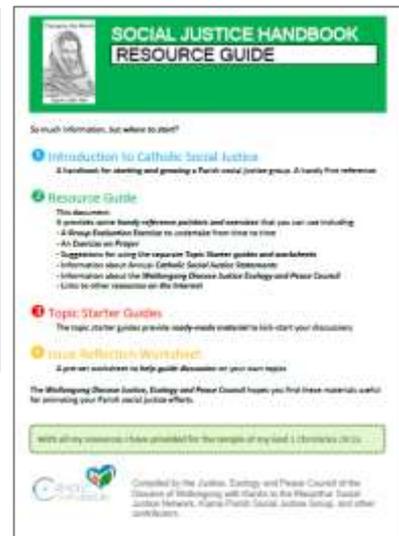

INTRODUCTION

The **Social Justice Kit** is a set of resources to help start Parish-based social justice groups.

I think of the difficulties which, in various countries, today afflict the world of work and business; I think of how many, and not just young people, are unemployed, many times due to a purely economic conception of society, which seeks selfish profit, beyond the parameters of social justice.

Pope Francis

Developed within the Diocese of Wollongong by the Justice Ecology and Peace Council together with regional groups, the material is designed as an introduction to **Catholic teaching on Social Justice**.

Key materials include the Introduction to Catholic Social Justice (blue top left), the Resource Guide (green top right) and the Issue Reflection Worksheet (yellow left).

Compiled by the Justice, Ecology and Peace Council of the Diocese of Wollongong with thanks to the Macarthur Social Justice Network, Kiama Parish Social Justice Group, and other contributors.

RESOURCES

A variety of topic starter resources in workbook format have been developed to help get groups started. It is hoped that the material will continue to develop and expand over time, and that there will be further Topic Starter Guides as well as links to other web-based materials to add to these in the future.

SUPPORT AND NETWORKING

The Justice Ecology and Peace Council and Regional Networks aim to promote justice and peace, ecological concern and respect for life in society, in the light of the Gospel and the social teaching of the Church

Each Regional Network Group draws from a number of parishes within the Diocese and interacts with other Catholic and non-Catholic groups in the area.

Parish social justice representatives are invited to share their activities and experiences at the Regional Network, which offers an opportunity to work collaboratively on common goals.
